WE ASKED OUR AUDIENCE AT
LEGALTECH MASTERMIND DAY*:

*2025 Edition

How does our Tech Toolkit benefit your legal operations?

Swipe to uncover the **use cases and priorities**
of the corporate legal departments & law firms
in our professional community.

#1

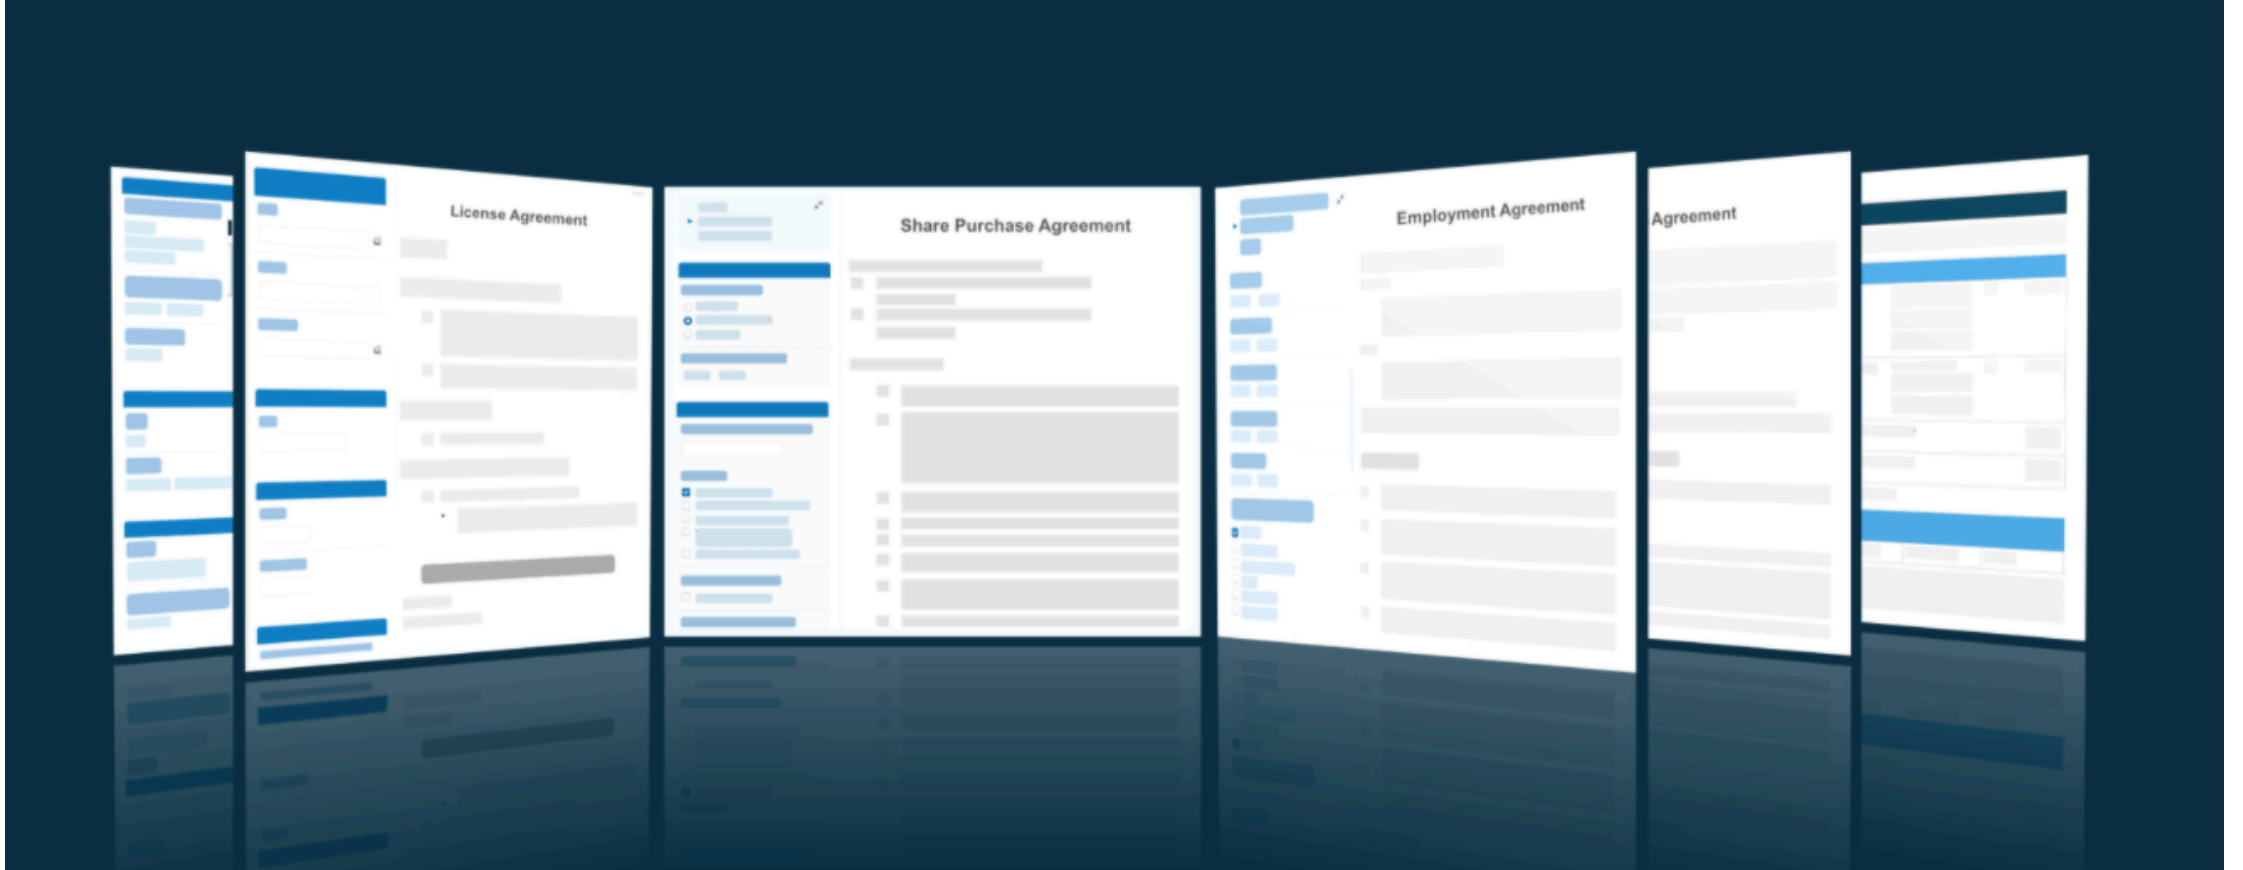

HOW WOULD YOU BENEFIT FROM A LEGAL DATA HUB IN YOUR LEGAL DEPARTMENT?

- ✓ **Workflow management:** legal intake, triage, tasks tracking, etc.
- ✓ **Matter management:** litigation, contracts, project work, etc.
- ✓ **Reporting with visual data analytics**

TIP:

The “**Quick Add**” is a feature of Xakia that simplifies the legal matter form to let you add multiple matters at once >> [see a demo.](#)

#2

WHAT IS YOUR BIGGEST CHALLENGE WITH LEGAL DRAFTING?

- ✓ **Template management**, creating standard forms
- ✓ **Structuring clauses** for negotiating positions
- ✓ **Generating new documents** from template / scratch
- ✓ **Comparing/reviewing documents** against standard forms (preparing **mark-up**)

TIP:

The “**Clause Hunt**” feature of the ClauseBase drafting toolbox easily scans your precedents for legal context >> **ask for a demo.**

#3

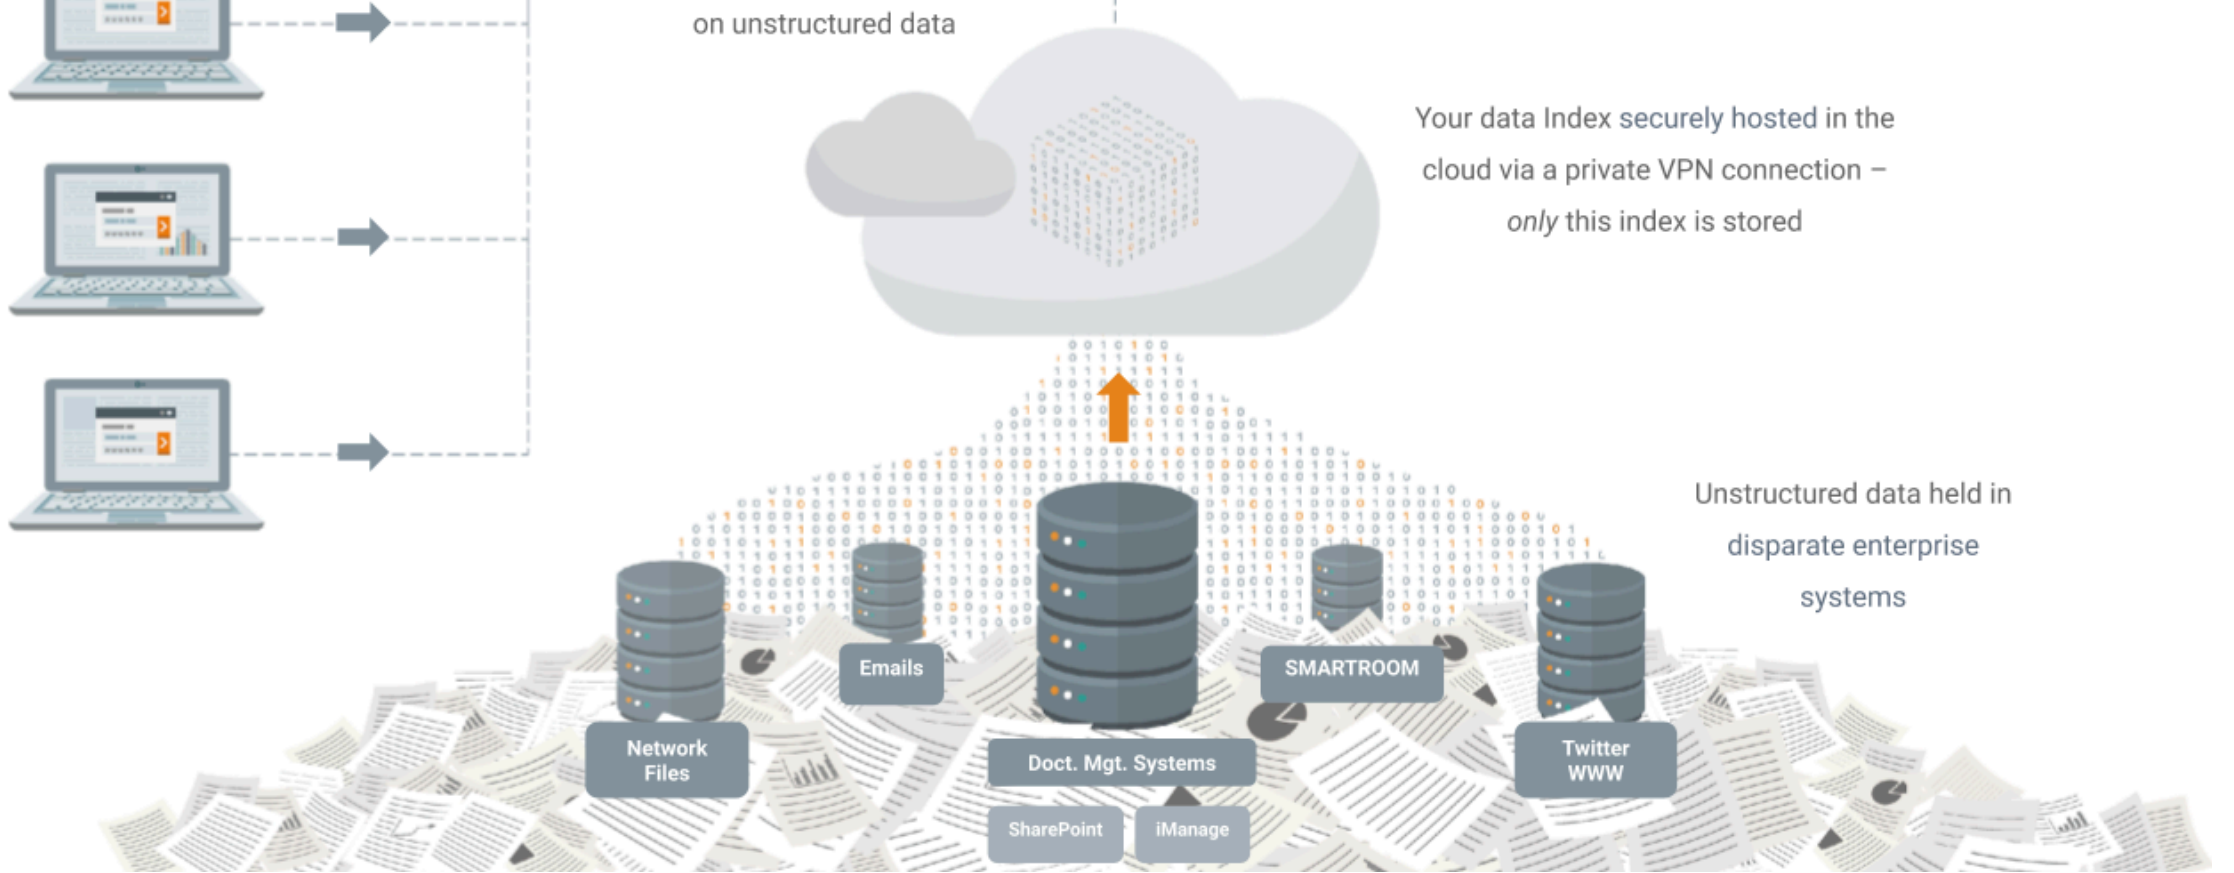

WHAT CHALLENGES WOULD YOU SOLVE WITH AN END-TO-END CONTRACTING PLATFORM?

- ✓ Real-time **contract negotiations**
- ✓ **Workflow management** with live dashboards
- ✓ **Archiving** signed contracts (with audit trails)
- ✓ **High-volume contracting**

TIP:

A “**Workspace**” on the Dealsign platform enables users to negotiate, sign and archive digital contracts at scale >> [see a demo.](#)

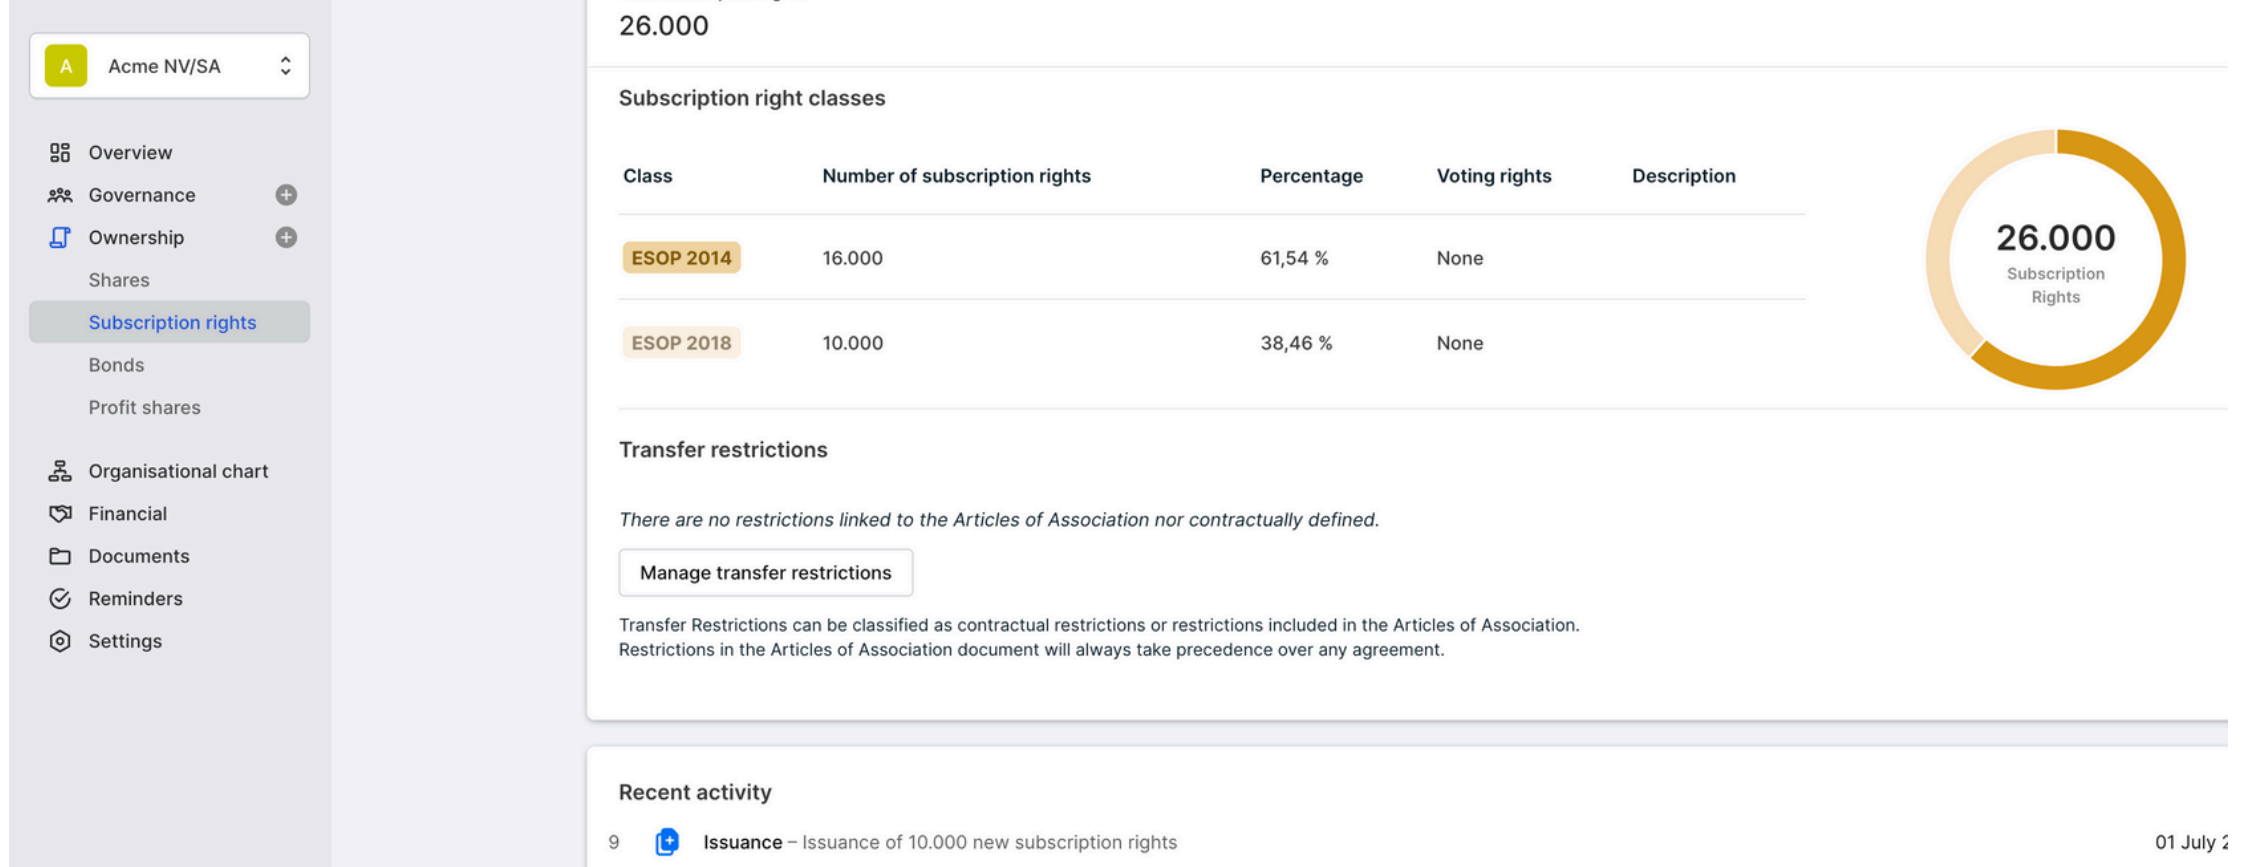

#4

HOW WOULD YOU BENEFIT FROM AI'S NATURAL LANGUAGE PROCESSING SUPPORT?

- ✓ **Precision search** of large document sets (*laws, regulations, precedents, databases*)
- ✓ **GDPR** compliance
- ✓ **Discovery** of all textual, contextual and metadata content

TIP:

The **Nalytics platform** uses the inherent relationship between words, sentences & paragraphs for a fast and accurate search experience >> **ask for a demo.**

#5

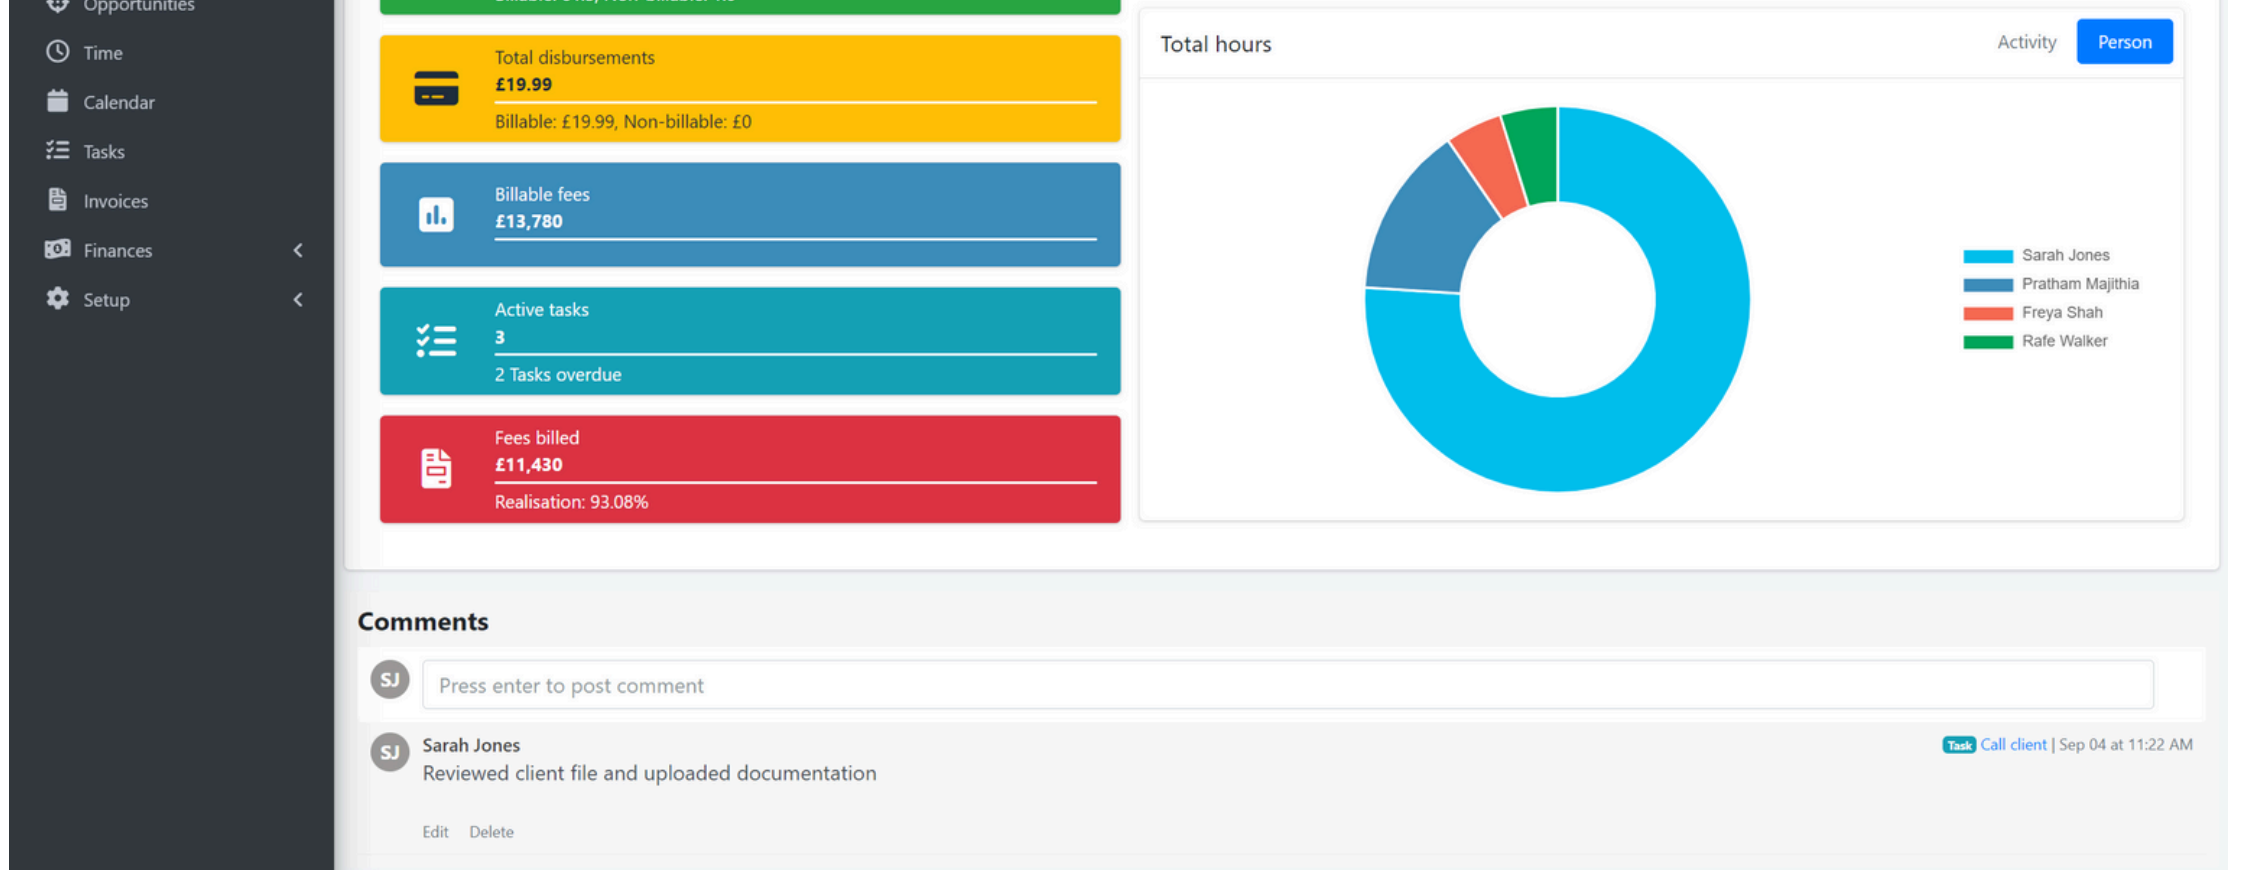

HOW WOULD YOU USE TECHNOLOGY IN CORPORATE HOUSEKEEPING?

- ✓ **Workflow automation:** generating corporate documents, notifications, reminders, org charts, etc.
- ✓ **Digitizing corporate data** for secure and quick access, up-to-date information, etc.
- ✓ **Overview of group legal entities**

TIP:

Corporify's **legal entity management platform** helps collect and update key data and automate corporate housekeeping tasks >> **take a product tour.**

#6

WHAT IS YOUR TOP PRIORITY IN LEGAL PRACTICE MANAGEMENT?

✓ **Case management:** project timeline, tasks overview, etc.

✓ **Integrated document management,** automated templates

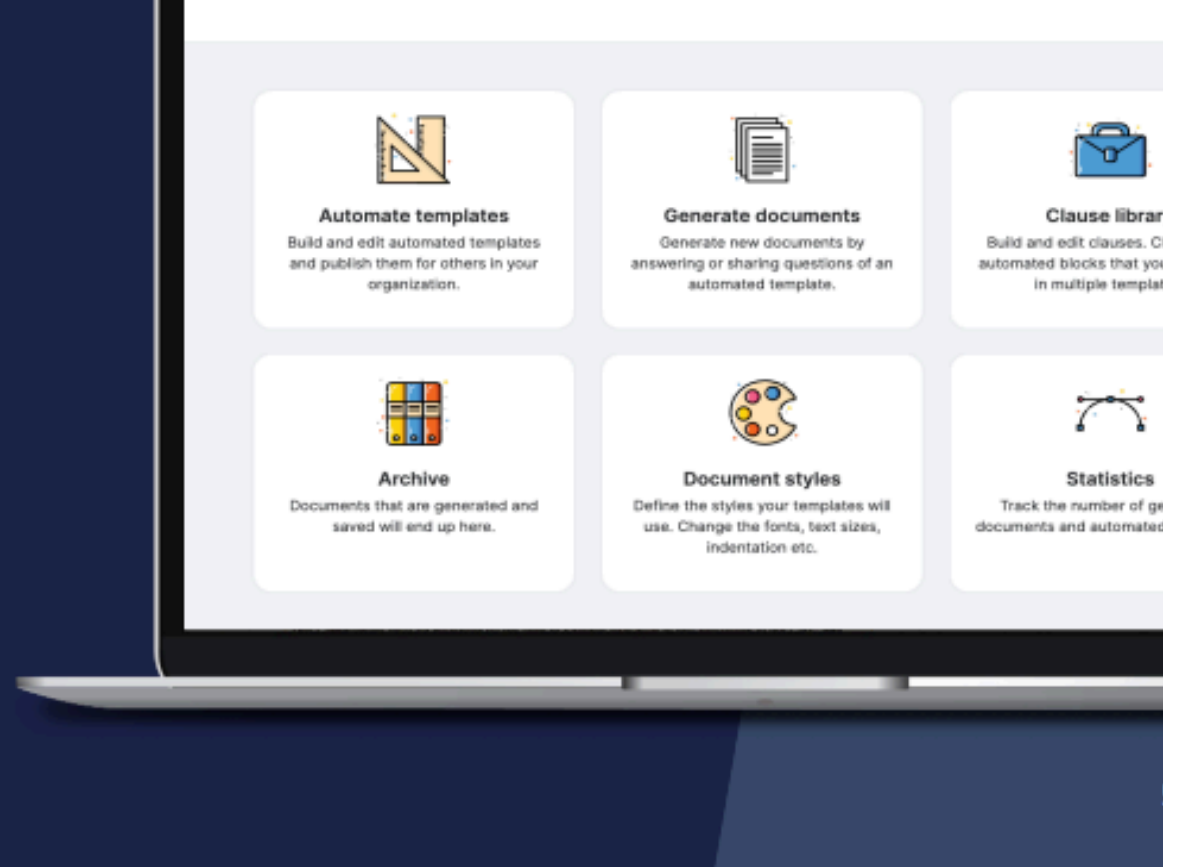

TIP: A **matter overview** on Matters.Cloud (platform for law firms) includes financial information, related parties, tasks, time and documents >> **ask for a demo.**

M-FILES MENT

- New documents generated in minutes
- Best practices automatically in use
- Playbooks available for each clause
- Less reliance on Legal as non-legal personnel are able to self-serve contracts
- Legal team is freed up to focus on more complex work
